RICHMOND FOOTBALL CLUB.

SEASON 1891.

To the Members.

GENTLEMEN.—Your Committee beg to submit the Statement of Receipts and Expenditure for the past Season, accompanied with the Annual Report for the same period.

The non-success of the team last season was principally owing to the number of accidents that befell the players, your team being one of the most unfortunate, in this respect, amongst the Associated Clubs.

To the same cause we owe, well we might say, our bad financial position. By a perusal of the Annual Statement you will perceive that we have overdrawn our account at the Bank to the extent of £27 4s. 4d., but we hope, with your assistance, to clear off this amount by the end of May.

Owing to the great distress prevailing in the city through the late "floods," your Committee, in conjunction with the North Melbourne Football Club and the Richmond Cricket Club, decided to present the whole of the proceeds from the match on the 18th July to the "Flood Fund," and we are pleased to state the sum raised on that occasion was £53 9s. To supplement this, with the aid of several ladies and a number of your prominent supporters, your Club and the Richmond Cricket Club, held a "Bruce Auction" in the Town Hall, which realised £123, making the handsome sum of £176 9s. handed over to the Relief Committee.

The Committee desire to convey their best thanks to DR. LALOR and DR. AMESS for their invaluable honorary medical and surgical services.

During the season two of our players were chosen to play for the colony against South Australia, and obtained universal praise for the brilliant manner in which they upheld the reputation of the colony and their own Club.

At the conclusion of the season the Club held their Annual Social in the Town Hall, and although there was a slight loss financially, it proved a very enjoyable evening both to players and supporters.

During the season your Committee held 25 Meetings, and the attendances have been as follow:—

Mr. T. SMART ...	25	Mr. J. EGAN ...	21	Mr. T. RYAN ...	14	THE MAYOR — CR. WEBB ...	3
„ E. COTTER ...	25	„ J. MCCUTCHAN	21	„ A. WILDEN ...	14	G. H. BENNETT, Esq., M.L.A.	1
„ W. MAYBURY	23	„ R. SYLE ...	18	„ *A. TIETGENS	13		
„ A. BUTT ...	23	„ W. SIMCOCK	17	„ J. SHORE ...	12		
„ J. STEWART	22	„ J. ASHER ...	15	„ W. BROWN ...	6	Mr. J. EASTMAN ...	25

* Elected upon retirement of Mr. Brown.

The Club played in all 24 Matches—Winning 5, drawing 3, and losing 16. The Goal-kickers in Premiership Matches were:—Elder, 15; Brown, 11; Sparrow, 10; Daly, 5; Coles and Hanley, 3 each; Parker, Deane, Graham J. Stewart, Blakeley, 2 each; McClaverty, Locke, Stokes, J. Smith, D. Collins, 1 each.

In conclusion, we have to thank the Patrons, President, Vice-Presidents (of whom Mr. J. GARSIDE and Cr. CHARMAN deserve special mention) for the very liberal support accorded to the Club last year, and trust the team for the ensuing year will warrant a continuance of the same.

March, 1892.

J. H. F. EASTMAN, HON. SEC.

The Annual Meeting will be held in the Richmond Town Hall, on Thursday, 24th March, 1892, at Eight o'clock.
